Ser. No. 09/149,650 Attv. Ref.: Proflowers-P1-98

Art Unit 3692

II. REMARKS

The Examiner is requested to reconsider the application in view of the foregoing

amendment and the following remarks. It is believed that no new matter has been added.

This amendment is being filed to tidy up the claims and to correct numbering and absent

claim status identifiers. As confirmed with the Examiner, this amendment should be entered

instead of the amendment filed on January 6, 2010, which may also be viewed as noncompliant.

Applicant wishes to express appreciation to Examiner Sarah Monfeldt and Supervisor

Abdi Kambiz for the consideration extended in the prosecution and interviewing of this case.

Applicant requests an interview prior to issuance of the next office action. An Interview Request

form is provided herewith.

With respect to the present application, the Applicant hereby rescinds any disclaimer of

claim scope made in the parent application or any predecessor or related application. The

Examiner is advised that any previous disclaimer, if any, and the prior art that it was made to

avoid, may need to be revisited. Nor should a disclaimer, if any, in the present application be

read back into any predecessor or related application.
